TSS114EU | Targus 10.2 inch / 25.9cm Phobos Netbook Case

The Targus 10.2" Phobos Netbook case is designed to protect up to 10.2" netbooks. The case is durable and water-resistant, featuring a uniquely styled crinkled fabric exterior. The front compartment expands for added storage space and features a strong magnetic closure for convenient access. The nyflex-lined accessory pockets provide a scratch-resistant area to store items such as sunglasses. The adjustable shoulder strap features two side clips that make it easy to remove the strap when not required. This slim, compact case is ideal for those carrying a netbook and essential accessory items around town or across campus.

Protection – Designed to protect up to 10.2" netbooks

Features – Easy-access accessory compartment with magnetic closure, removable/adjustable shoulder strap and scratch-resistant, nyflex-lined compartments
